

Copp Backyard Homes Inc.

Adding another home to your property can feel overwhelming, from confirming site suitability and navigating zoning, to developing architectural designs and selecting the right materials. With over 148 years of experience, Copp's brings trusted expertise right to your own backyard. Backyard Homes are a new and emerging housing solution in London, and we're excited to guide homeowners through every step of the process.

When you choose a Copp's Backyard Home, you receive one-on-one support from start to finish. There's no need to be an expert in construction, materials, or contractor coordination. Our experienced team manages everything; design, permits, engineering, and construction, so you don't have to. You can simply sit back, relax, and watch your new Backyard Home come to life.
